

# Biology Scavenger Hunt

1. Using the field guides or your phone, see if you can find at least **20** of the following organisms.
2. Take a picture of the organisms as you find them.
3. Create a Google Slide Presentation with labeled pictures.
4. Each labeled picture in the slideshow needs to include:
  - a. The name of the organism, so keep track of what you're finding!
5. Have fun and enjoy nature!!!
  - a. Stay away from [poison ivy](#) & check for [ticks](#)

## Protists

Slime Mold

## Fungi

King boletus

Fly amanita

Artist's fungus -

Birch polypore

Alcohol inky

Meadow mushroom -

Puffball

Emetic russula

## Lichens (Fungi/algae or bacteria)

Reindeer lichen

British soldiers

Ring lichen

## Plants - mosses and ferns

Sphagnum moss

Staghorn clubmoss

Field horsetail

Common polypody

Bracken -

Royal fern -

Lady fern

Interrupted fern

## Plants - coniferous trees

Eastern red cedar

Atlantic white cedar

Tamarack

Red pine -

Eastern white pine

Pitch pine

Eastern hemlock

Canada yew

Mockernut hickory

## Plants- deciduous trees

Common alder

American beech

Scarlet oak

Black oak

Bear oak

White oak

White ash

Basswood/Linden

Gray birch

White birch

Red maple -

Flowering dogwood

American holly

Sassafras

Black cherry

Staghorn sumac

Black locust

Hawthorn

Beaked hazel

American hornbeam

Willow

## Plants - woody shrubs

Blueberry

Sheep laurel

Sweetfern

Wintergreen

Spotted pipsissewa

Greenbrier

Poison ivy

Virginia creeper

Wild grape -

Honeysuckle -

Multiflora rose

Maple-leaved viburnum

**Plants - woody shrubs**

Shadbush

Chokeberry

Bayberry

Sweet pepperbush

**Plants - wildflowers/non-woody**

Skunk cabbage

Milkweed -

Butterfly weed -

Queen Anne's lace -

Pink Lady's slipper -

Wild sarsaparilla -

Indian pipe

Goldenrod -

**Animals - non-insect invertebrates**

Grove Snail -

Slug

Earthworm

**Animals - arthropods**

Tiger beetle

Ground beetles

Pennsylvania firefly

Argiope spider

Wolf Spider

Deer Tick

Ladybug

Crane fly

Dragonflies

Butterflies (various)

**Animals - non-mammal vertebrates**

Red-spotted newt

Red-backed salamander

Spotted salamander -

Northern leopard frog -

Green frog -

Bullfrog

Wood frog -

Pickerel frog

Spring peeper

Gray treefrog -

American toad

Garter snake -

Ribbon snake -

Eastern milk snake -

Northern ringneck snake -

Box turtle -

Snapping turtle -

**Animals - Birds**

Sparrows -

Warblers -

Birds cont.

Black-capped chickadee -

Carolina wren

Bluejay -

Northern cardinal -

Wild turkey -

Canada goose -

Mallard

Turkey vulture

Osprey -

Red-tailed hawk

Sharp-shinned hawk

Great-horned owl

American crow

Ruby-throated hummingbird

American robin

Great-crested flycatcher

Gray catbird

Northern mockingbird

European starling

Red-eyed vireo

Rock dove

Mourning dove

Chimney swift

Downy woodpecker

Northern flicker

Common grackle

Brown-headed cowbird

Northern oriole

American goldfinch

House finch

**Animals - mammals**

Coyote

Common gray fox

Red fox

White-tailed deer

Raccoon

Virginia opossum

Striped skunk

Woodchuck

Mink

Fisher

Little brown bat

Eastern gray squirrel

Red squirrel

**Animals - mammals**

Southern flying squirrel

Eastern chipmunk

Eastern cottontail

Hairy-tailed mole

White-footed mouse

Meadow vole

Northern short-tailed shrew
